RE: Miller v. L&J Developers, LLC, et al.
Case No. 04-C-630-2

Dear Mr. Miller:

I have received your request for copies of the tapes in the above-referenced matter. I do not release copies of the tapes unless directed by the Court. When a request is received, I prepare a transcript and file the original in the court file. The transcript is the official record.

In reference to your request as to who has had access to the transcripts, once a transcript is filed in the court file, the transcript becomes a matter of public record, unless ordered sealed by Order of the Court.

As far as your request for my typist's name, address, and telephone number, I will not provide that information to you. As the official court reporter, I am responsible for the accuracy of the transcripts and attach a certificate to all transcripts when they are prepared.

You have also requested a transcript for the hearing on June 9, 2005. A partial transcript was previously requested and filed, so I will prepare a transcript for the remaining portion of the hearing. I will let you know when it is ready to be picked up and the cost of the same.
