

Deposition of Deputy Jim Miles - - by Eugene Miller

1 A (Miles) Evidently you don't even know I was there because I didn't speak
2 with you.

3 (EM) I saw you there.

4 (Miles) Ok, and we had no conversation at that time.

5 (EM) No, you was down standing by your car while I was talking to the
6 Fire Department guy.

7 (Miles) YES, yes I left and came back. That was me. Nobody told me to
8 come back. I came back and spoke with you out of concern for you. Then I left
9 and I called Jim Jack and said I had talked with you and that's when he asked that
10 I relay a message that he had no ill feeling towards you. Which I did.

11 Q (EM) So let me ask you this. YOU'RE SAYING THAT THE FIRST
12 TIME YOU CAME OUT DID NOT INVOLVE A CONVERSATION IN THE
13 KITCHEN WHERE IT WAS TAPE RECORDED—YOU'RE SAYING THAT
14 IS NOT THE FIRST TIME YOU CAME OUT?

15 A (Miles) THAT IS NOT THE FIRST TIME. NO SIR.
