

Deposition of J.R. Moore-- by Eugene Miller

1 A (JR) Now if I happen to be in the restroom or in the clerk's office or somewhere else
2 on that floor and somebody goes down that hallway I don't- don't know.

3 Q (EM) And if you happen to be in a adjoining room calling the county sheriff-- you
4 would not know is that not right?

5 A (JR) If I was in my office- I can hear that door open and shut, Mr. Miller, I would
6 know somebody came down that hallway and I would check to see who it was and make sure
7 they were supposed to be there.

8 Q (EM) So when I came down the hallway you didn't know I was there?

9 A (JR) I don't believe you came down the hallway Mr. Miller

10 Q (EM) SO WHEN I STOOD OUT IN THE HALLWAY AND YOU WAS ON THE
11 PHONE WITH THE COUNTY SHERIFF YOU DID NOT KNOW I WAS THERE.

12 A (JR) NO I – I DID NOT KNOW YOU WERE THERE. But I believed that you came
13 from the courtroom into the hallway from the door right there by the judge's chambers.

14 Q (EM) That's what you believe?

15 A (JR) That's, I didn't hear the door-- I maybe, maybe you didn't come down the
16 hallway. I did not hear you. no.
