

DEPOSITION OF JOE CARBACIO – BY EUGENE MILLER

1 Q (EM) What did he tell you when you initially was going to be invited to take the little
2 ride out to my house?

3 A (JOE) We were out to lunch and he said that his sister called and was concerned
4 about a particular individual – just wanted to verify whether this vehicle was either the
5 one she felt was following her, either to get a description and a license number
6 (unintelligible)

7 Q (EM) Are you aware that I campaigned against the sheriff's niece?

8 A (JOE) No sir

9 Q (EM) So you never heard, well I guess, you never heard about an individual setting
10 with a sign that was about – 6 or 8 feet, that was saying “Reject Becky Hinkle and ;your
11 values won't be wrinkled, vote no June 14?”

12 A (JOE) No, never heard about that.

13 Q (EM) Ok (pause) You know that Becky Hinkle was running for city counsel?

14 A (JOE) Yes, I know that.

15 Q (EM) You know she lost?

16 A (JOE) Yes I do.

17 Q (EM) Do you know by how many votes?

18 A (JOE) No sir, I do not

19 Q (EM) Did you ever take any phone calls from Becky Hinkle into the sheriff's office?

20 A (JOE) No sir, I'm not the secretary.

21 Q (EM) Alright, have you ever seen Becky Hinkle ever show up at the sheriff's office?

22 A (JOE) Not that I can recall.
