

Deposition of Deputy Jim Miles - - by Eugene Miller

1 Q (EM) What did you think or say – **When I said to you in the kitchen –**

2 **Your Boss Jim Jack committed perjury on the stand?**

3 A (Miles) I don't know what I said, ah, I would probably think the same then
4 as I would think now. Ah, I have no knowledge of that and you may well believe
5 that. I don't know. I was not there. I have no don/t about that.

6 Q (EM) And you didn't care either?

7 A (Miles) **I would absolutely care that you're calling my Boss and my**
8 **friend a liar.** I have never known Jim Jack to lie. That's all I know.

9 Q (EM) What did you tell Jim Jack when I rebuffed him at my house?

10 A (Miles) I don't remember telling him anything.

11 Q (EM) Oh, he remembers

12 A (Miles) He may well

13 Q (EM) What did he say?

14 A (Miles) I don't remember.
